Honoured Sir,

May it Please Your Honour to give a patient hearing to an humbled individual and undo the wrong, in the interest of justice, fair name of your honourable self and give bread to a man of children struggling in wilderness due to sudden and uncalled for termination of my services as an A.P.P.

I was appointed as an Assistant Public Prosecutor Grade II Bellary District, Hospet Division a perman ent vacancy on the ground that I am a Kanarese knowing man, in March 1949. I was one of the Eleven applicants at the time, and they were all law gradutes and I was only one Pleader of the Bombay High Court. I had a record of Criminal work having practiced mainly on that side with nearly 40 Sessions within a period of 8 years and at the time when my application was considered. I was aged 33 years. I was given the job as a choice candidate. Simultaneously along with me one Burma Refugee Sri. B.N. Naidu was appointed for Adoni Division for a short vacancy, aged as he was and not knowing the language of the western taluks ; namely Hospet Division. Immediately on expiry of the period of two months or so, Mr. Naidu was without job. Being a Refugee and behind my back, without even -- considering the work turned out by me for 6 months, I was ousted and he was appointed in my place in October 1949. Subsequently I put in a memorial and I was

again appointed A.P.P. for Prohibition and was carrying on the work till March 1953 every year, my term being extended It was because of this odium of applying for extention every year and also because two new appontments were made subsequently, I moved the matter with the Chief Secretary(Home Department) praying for a transfer to the General line in view of the seniority and also because of one valuable -- work I had done during my term of office to no avail. To my misfortune without meaning insult to the officers, I again petitioned to the Chief Minister C. Rajagopalachariar directly who had been the cause of my present plight, of an ousting, though it was well intentioned demand for information and -- justice, which was mistaken here as an insult and my carrier marred to start afresh with practice which is difficult are now a days

Regarding my General Education, having failed to get through my subjects part in the Intermediate examination of the Madras University, I appeared for the Pleadership Examination of the Bombay High Court, passed with credit and enrolled myself as an Advocate of that High Court in 1941. Since then I have been practising for the last 8 years, till the appointment, as a Criminal lawyer in the District. I have enrolled myself as an Advocate of the Madras High Court in 1949. Recently also I had conducted a Session Case of Rape. I am now aged 40 years.

I hope I will not disappoint the proper authorities regarding the proper choice made in my being appointed as an experienced A.P.P. I have herewith enclosed all relevant -- documents including testimonials which may be returned to me if I am not selected for the job.

Thanking Yours.
